I agree the amount may be adjusted annually according to increases in average earnings so that, in real terms, my donations do not decrease over time (if you would prefer this not to take place, please tick here).

I also agree that it may automatically transfer to my pension upon my retirement (if you would prefer this transfer not to take place automatically, please tick here).

This authorisation replaces any other donation instruction to the charity which may be currently active. I understand that I can cancel this agreement at any time by giving one month's notice and that such notice should be sent to the charity's address below.

Please tick here to Gift Aid your donation.

By ticking this box, The Fire Fighters Charity will continue to receive an additional 28p, at no cost to yourself. The Charity can claim Gift Aid tax relief of 25p on every pound you give. HMRC will also be operating transitional provisions for Gift Aid donations made from 6 April 2008 until 5 April 2011, paying a Government supplement of 3p on every pound you give. This will apply to all previous donations from the past 6 years, and all future donations. To qualify for Gift Aid, what you pay in income tax or capital gains tax must be at least equal to the amount we will claim on your donation in the tax year.
