We are seeking Trustees with the necessary skills, qualities and experience to enhance our Trustee Board, building on the strong, committed team and sound governance we have created.

We are proud of what we do and how we do it, but we are always keen to learn and improve.

We hope that having read through the information provided you too will feel inspired to become part of our Charity.

I look forward to receiving your application.

Peter Davies
Chair of the Board of Trustees

Welcome from our Chief Executive, Dr Jill Tolfrey

I am delighted that you are interested in joining the Fire Fighters Charity as a Trustee. I hope you find the information pack informative and comprehensive.

It is an exciting time for the Charity. Despite the challenges of working through a pandemic, we have successfully completed year one of our strategic plan for 2020-2025. Circumstance has enabled us to progress with our transformative change programme, ensuring that we engage with more of our beneficiaries and stakeholders and that our services are fit for purpose and relevant in this changing and changed world.

Working closely with the UK Fire and Rescue Service, the Charity provides high quality support for the physical, mental and social health and wellbeing of the fire services community. As key workers, members of this community are subject to many challenges and The Fire Fighters Charity provides a wide range of support to the workforce and their dependants. Our strategic plan sees the Charity move forward into health promotion, developing health literacy and preventing poor wellbeing, actively engaging in digital health support and developing our evidence base, whilst retaining our longstanding support for responding to poor health and injury and supporting recovery.

As part of this transformational change, we are looking to recruit new Trustees, particularly from the fire services community. If you are someone who understands the day-to-day challenges of the workforce perhaps as an operational firefighter, working in Control or in one of the many other roles that are a fundamental part of fire and rescue service provision we would like to hear from you. With your knowledge and insight, you may be just the person we need to help lead the Charity through this period of change and growth.

If you feel able to work with us and support us on this journey, we would like to hear from you. If you have never considered such a role before and would like an informal conversation prior to application, then do please get in touch by contacting either Peter Davies, Chair of the Board of Trustees, or myself. Our contact details can be found on the 'How to Apply' page.

About The Fire Fighters Charity

The Fire Fighters Charity offers specialist lifelong support for members of the UK fire services community, empowering individuals to achieve mental, physical and social wellbeing throughout their lives.

Mental Health, Physical Health and Social Wellbeing

These three core elements are the strategic focus of our service delivery. We support people's mental health, physical health and social wellbeing through personalised, multi-channelled and long-term support.

Specialist Support

Every beneficiary is different, so the way we support them as specialists is too. We take the time to fully understand each person's needs, considering their physical, psychological and social circumstances, and provide them with a custom-made solution that will best meet these needs throughout their lives. This may include any number of elements, from support in the community, over the phone, through the website or by other digital means, via a residential stay at one of our centres, home adaptations, financial support or just signposting to other organisations and support services.

We empower individuals by equipping them with the tools they need to support themselves and ensure their own long-term wellbeing.
